Introducing CapyyQueen to the XA Team!

Announcements CapyyQueen Oct 25, 2022

Hey everyone, I’m Emily (she/her) aka CapyyQueen! I’m super excited to be a community manager for the Xbox Ambassadors program and get to know everyone. I have lived all over the west coast; born and raised in San Francisco, lived in Los Angeles for about 7 years and just recently moved to Seattle.

Video games have been a part of my life for as long as I can remember. Some of my earliest memories of gaming were endless Mario Kart races on the Nintendo 64 with my siblings and fighting over which animals we should build habitats for in Zoo Tycoon on the family computer. In 2020, I built my first gaming PC to dive into the world of PC gaming and streaming.

I play about every kind of game. I love relaxed games like The Sims, Stardew Valley and Planet Zoo as well as horror and story driven games like the Resident Evil games. Most nights, I can also be found sinking way too much time into Valorant.

When I’m not gaming, I love snuggling up with my cat, binging TV shows, sipping coffee and finding new things to cook or bake — currently accepting tips on how to keep a sourdough starter alive. And if my gamer tag didn’t give it away, capybaras are my favorite animal.

I’m looking forward to meeting, chatting with everyone, and helping this community grow.
